The Apprenticeship sector for occupations in business and administration, customer service, enterprise and business support, human resources and recruitment, industrial relations, leadership and management, marketing and sales (also includes contact centres and third sector). Short description Around 4.5 million people help to keep businesses running in the public, private and not-for-profit ...

Business Administration (England) - Create Skills

The resulting vision was to create an introduction to business curriculum that was first, and above all else, for the benefit of the student. The main question driving the team was, "How do students learn?" We do not mean, how do they memorize for tests. But rather, how can we transmit information, knowledge and understanding so each student will exit the course having a strong foundation in ...
