

confronting crimes against humanity in mexico

confronting crimes against humanity pdf

War crimes have been defined by the Tokyo Charter as "violations of the laws or customs of war," which includes crimes against enemy combatants and enemy non-combatants. War crimes also included deliberate attacks on citizens and property of neutral states as they fall under the category of non-combatants, as at the attack on Pearl Harbor ...

Human rights in North Korea are very limited. Despite numerous rights being de jure guaranteed by the country's constitution, human rights groups such as Amnesty International and nations such as the United States have asserted that, in practice, there is no de facto right to free speech, and the only radio, television, music and news providers ...
